## Take your students on a journey to be a part of the solution to prevent hunger in your community!

Explore. Act. Tell. is a free program that teaches 6–9<sup>th</sup> grade students to become aware of food insecurity issues in their neighborhoods. They will practice skills needed to become good citizens and advocate for community involvement and service. Through four interactive lessons, students will create and implement a hunger solution project and develop a promotional PSA video.

All lessons and  
project work can  
be done virtually.
