(Please see additional requirements regarding participation in the “Participation” section below.)

Each participating Student Team will (1) research hunger and food insecurity in their community; (2) develop and execute a project to address a hunger issue in their community and record metrics related to results; and (3) create a story video and Contest submission about their work on a hunger issue. The sponsoring teacher or sponsoring adult must be registered for the program and will be required to submit a description of the project and its results via a fully completed Challenge Entry to Explore.Act.Tell. at <https://exploreacttell.org/dashboard>.

All Student Team entries must be submitted by the Entry Period deadline. The Contest Organizers will not be responsible for incomplete, lost, late, misdirected, garbled, inaudible, or illegible entries, or for failure to receive entries due to transmission failures or technical failures of any kind, including, without limitation, malfunctioning of any network, hardware or software, whether originating with sender or Contest Organizers. All entries become property of FILL and none will be returned.

Winner Selection. Entries from Student Teams will be judged based on the required Contest submission documents, a story video and submission, including a clear description of the project and results. Judging criteria will include:

1. Story Video: Does the message clearly demonstrate student's work in their project and inspire others to get involved? Is the information clear and easy to understand?
2. Project: did the project achieve the goal to address food insecurity set by the students? Do metrics show clear and measurable outcomes? Does the project description clearly reflect the goal, actions, and outcomes?

Team Awards and Odds. Team Awards: Each winning team shall designate a non-profit public organization involved in hunger or food insecurity solutions of their choice to receive a grant. For clarification, the non-profit public organization could be a public school's organization that a student or Student Team is a member of or it can be a non-profit organization selected by the Student Team. The grant shall be made by the Contest Organizers directly to the designated non-profit public organization, or the public school, or not for profit school of the Student Team. For the 2026 Contest

there will be up to thirty (30) grants awarded to the non-profit 501(c)(3) organizations designated by each winning Team. Grants amounts may be between \$500 and \$5000. Each grant recipient will be required to provide written proof of its 501(c)(3) status to the Contest Organizers within the time specified by the Contest Organizers. Each winning Team shall be required to notify FILL in writing stating how and when the grant will be used to address food insecurity in their community. The winners of Team awards will be announced after judging is completed. Odds of winning depend on the number of eligible entries received and decisions of the judges. If there are less the thirty (30) teams participating in the Contest, the Contest Organizers reserve the right to award less than thirty (30) grants.

Early Entry Opportunity. There is an early entry deadline of January 9, 2026. The first thirty (30) teams who choose to enter their qualifying entry by this date, may be eligible for a small grant, not to exceed \$100.00. This small grant is to be used to continue the Teams' work to address local food insecurity. Grant recipients will be asked to submit, in writing, how the Team used this grant. If eligible, the entry will move forward into the annual Challenge for additional grant opportunities. This early deadline is meant to encourage Student Teams to perform their project work in the first part of the school year and submit their entry as soon as the project is completed. All early entries will be included in the one annual judging round for 2025-2026, with a deadline of May 15, 2026. Each entry is final when it is submitted, and no changes or additions are allowed.

Winner Notification and Acceptance. Winners will be notified on or about July 15, 2026. FILL will contact each winning Team's teacher or sponsoring adult by phone at the number listed on the entry form. FILL will call during regular business hours at number provided on entry form. Failure to reach the respective teachers or sponsoring adults by phone may result in disqualification of winners, forfeiture of their interest in all prizes, and selection of a substitute winner from among all remaining eligible entries. A winning Team and/or its designated charity may waive their right to receive a grant. Grants are non-assignable and non-transferable. No substitutions allowed by winner. Grants and individual components of grants packages are subject to availability and FILL reserves the right to substitute grants of equal or greater value. Winners may be required to complete an affidavit of eligibility/liability certifying that the entrant's submission is entrant's original work, that entrant owns right to the work, that the submission has not previously won an award in a contest and has not previously been published, and that entrant has complied with the Official Rules of the Contest. Winners (including the charities receiving the grants) may also be required to complete a liability and publicity release (except where prohibited by law), which must be returned as instructed. Failure to sign and return the affidavit or release, or to comply with any term or condition of these Official Rules, may result in a winner's disqualification, the forfeiture of his or her interest in the grant award, and the award of the grant to a substitute winner. Except where prohibited, acceptance of any grant award constitutes each winner's consent to the publication of names of team members, biographical information and likenesses in any media for any commercial or promotional purpose (including without limitation the Internet), or further compensation. Grant awards not won and claimed by eligible winners in accordance with these Official Rules will not be awarded and will remain the property of Contest Organizers.
