STUDENT RUBRIC

CRITERIA	AWESOME	GREAT	GOOD
Team & Project Overview	Project title and description are exceptionally clear, fully detailed, and articulate a focused community service effort addressing food insecurity.	Complete team information, clear project title, and concise project description provided.	Missing minor team details or project description is vague or incomplete.
Impact & Metrics	All required metrics (students, volunteer hours, items/meals/funds raised) are thoroughly tracked, accurate, and demonstrate strong impact.	All metric fields are completed accurately with reasonable calculations.	Metrics are partially filled out or estimates appear incomplete.
Community Impact & Service	Demonstrates deep understanding of local food insecurity and provides compelling reasons for serving vulnerable populations.	Clearly explains how hunger impacts the community and why serving the community is important.	Mentions community impact, but reflection is brief or lacks specific insight.
Sustainability & Leadership Growth	Outlines plans to sustain project efforts and reflects deeply on student and educator leadership growth.	Addresses long-term project benefits, sustainability steps, and leadership growth.	Identifies future goals or leadership growth, but details are limited.
Project Evidence & Media	Includes 5 high-quality photos and/or a dynamic 30-second video clearly showing student action, along with optional marketing assets.	Includes 3–5 clear project photos and/or a 30-second video clip demonstrating project execution.	Includes fewer than 3 photos, or media links are unclear or incomplete.
